Together with Autism Conference

Saturday January 18th 2020

10 am – 4 pm

Myton School • Myton Road • Warwick

**FREE
Event**

A unique event for parents and professionals to come together and hear from autism professionals and autistic children and young people.

There will be representatives from the many services in Warwickshire that support young autistic children and their families.

Join us for talks, workshops, information stands and quality conversations.

Speakers include:

Dr. Olga Bogdashina • Dr. Glenys Jones
Alex Manners • Angus Baskerville

The Autism community can feel very disconnected. This is an opportunity to bring people together and build a stronger, better informed and ultimately better supported community for the benefit of everyone.
